

REMARKS

This Supplemental Amendment is responsive to the Notice of Allowability mailed on April 4, 2007 and an Amendment under 37 CFR 312 filed earlier on even date herewith. In reviewing the revisions made to the Abstract of the Disclosure by the Amendment under 37 CFR 312, Applicants noted that the first sentence was inadvertently revised in a manner inconsistent with the original Abstract of the Disclosure. To correct this inadvertent revision, Applicants have amended the first sentence of the Abstract of the Disclosure to return the first sentence to read as in the original Abstract of the Disclosure. A version of the Abstract of the Disclosure with markings removed is attached hereto. Applicants submit that the amendments do not introduce any "new matter" into the specification. Applicants would appreciate early notice of the entry of this Supplemental Amendment.

Applicants do not believe that any fees are due in connection with this submission. However, if such petition is due or any fees are necessary as a result of this communication, the Commissioner is hereby authorized to charge any under-payment or fees associated with this communication or credit any over-payment to Deposit Account No. 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
